Ourselves

Respect

Our School

# Respect our ENTIRE school

- Best way to Earn respect is show respect. Treat others the way you want to be treated (Golden rule).
- Don't make fun of, gossip, or tease your peers
- Respect other people's property. If someone lends you something, return it in the same condition you received it.

# Stand up for yourself and others

If you see someone being bullied, step in and stand up for the person OR if you're being bullied, stand up for yourself.

- Your peers will respect you for standing up for yourself OR for helping others
- Worst thing you can do is stand by someone who is being bullied and not do anything!
- For example, if Mohammed sees Mariam being bullied he can step in and say “Hey bro, that’s not cool. You shouldn’t talk to Mariam like that!”

# Hadith

حديث: (( لا يؤمن أحدكم حتى يحب لأخيه ما يحب لنفسه ))

No one is a true believer unless they love for their brother/sister what they love for themselves.

Examples:

- \*Wish for others what you would wish for yourself
- \*When you give to others (sadaqa), give the best of what you have
- \*If I want to succeed in school, I want my friend to succeed too.
- \*Thank Allah for what you have, and make duah for others if they don't have what you have.

# How can we respect ourselves and others?

- Treat everyone fair
- Do not damage the property of others or school
- Listen actively to others
- Show kindness and helpfulness
- Show your maturity

“Cool doesn’t mean being CRUEL!”

COOL

CRUEL

Talk back to my teacher because it really wasn’t my fault.

All of the popular kids are teasing my friend, I want to look cool and laugh along because I don’t want to get teased too.

My friend just told me that her cat died. I listen to her and show EMPATHY by saying: “Wow, Im really sorry to hear that. I remember how hard that was when my fish died last year. Is there anything I can do to help?”

I pull off the material on the hallway board.
