

Elementary Distance Learning Student Supply List 2020-21

Coming prepared with all supplies the first day of school is the first step to an organized student. Attached is information on how to be prepared as well as the supplies needed for each grade. Carefully read and follow ALL instructions.

Shopping Tips:

- Supplies should be available at home for homework and project purposes!
- Stock up on items that need to be replaced throughout the year as they are cheaper during summer sales.
- Some additional supplies may be needed as the year progresses such as report covers, poster boards, etc. Notes will be sent home when needed.
- Sometimes a better quality will be more cost effective than a cheaper item if it means it will last the full school year.
- Avoid buying fancy or extra items not on the list as they become a distraction for the student and students' rather than be of help to the classroom teacher.
- Be sure to purchase a permanent marker to label all school supplies and clothing!

Labeling:

- Transitional Kindergarten and Kindergarten:
Please make sure to write your child's name on each and every item with permanent marker especially lunch boxes, bottles and sweaters! Once classes resume on campus, it will be mandatory for the safety of our students and staff. No name on stickers. Also please make sure to notice our separate columns for Kindergarten CORE and QIAS.
- 1st – 5th: Only label the bigger items such as lunch boxes, water bottles, sweaters, textbooks, etc.

Special Note:

Some supplies that need to be identical for the whole class may need to be purchased from BHA. During the first week of school more details will be provided.

Fundraising Tip:

If purchasing at Amazon, Office Depot or Staples, be sure to give our school name! Help our school receive 5% credit from your purchase!

Jazakum Allahu Khairan!

Shopping list is on the back...
