

**BHA Re-entry
Plan
October, 2020**

Action Steps...

BHA has been closely following CDC, CDPH, BOE and San Diego Health and Humans Services recommendations for school re-entry. We are in constant consultation with other local schools and health professionals.

BHA has currently launched and is delivering the BHA Virtual Academy. We are delivering online learning, with the intent to return in person grades TK-5th on November 2nd, Insha'Allah.

Our Current Plan:

- ☐ Started the year online and will continue to offer online learning.

- ☐ Intent to return to in-person:

Phase 1 on Nov. 2, 2020: TK-5th

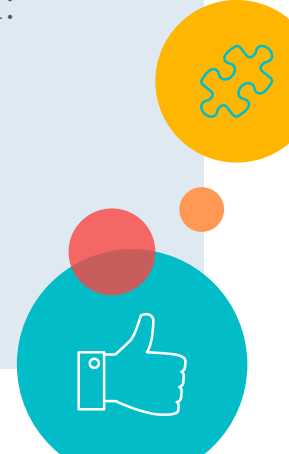

Phase 2 on Jan. 25th(tentative): 6th-11th

**Online
Learning:
August
31st-Ongoing**

Getting Started:

- ❑ **BHA Virtual Academy:** launched August 31st
 - ❑ **September 10:** meet your teacher and pick up materials and supplies
 - ❑ **November 2nd:** Intent to return to onsite learning-hybrid model. Phase 1: **TK-5Th only.**
- 

Let's prepare for Hybrid Model

Please follow the new
changes and procedures

Health and Safety

What to expect when returning to school.

AS WE REOPEN...

The health and safety of our students, staff, and families is important. Due to new health and safety measures set forth by the County of San Diego and the California Department of Public Health, the 2020-21 school year will look much different than in years previous. BHA plans to focus on academic instruction as well as the programs that are crucial for the mental, social emotional, and physical well-being of students.

7

SCREENING AT HOME:

Students and staff are asked to self-screen for symptoms such as cough, shortness of breath, runny nose and fever at home before coming to school or getting on a bus.

Anyone with a fever of 100°F or more should not go to a school site. Those experiencing symptoms including persistent cough, shortness of breath, or runny nose should not attend school.

ARRIVING AT SCHOOL:

Arrival/departure times and campus entry points will be managed to allow for appropriate physical distancing.

School sites will have signage throughout campus to encourage physical distancing and proper sanitation.

Temperatures will be taken and health screening questions will be asked from inside the car and at school entry points.

Protocol if temperature of 100°F+ is detected:

- ❑ Students with a temperature of 100°F or higher will not be admitted and shall be sent home.
- ❑ Individual should then contact a health care provider for further instructions.
- ❑ Please notify the school administration of any positive COVID-19 test results.
- ❑ School will notify health officials, staff and families of any positive cases.
- ❑ If a student develops a fever while at school, they will be isolated from other students, provided a face covering if they do not have one, and their parent/guardian will be contacted to pick them up.
- ❑ Sick staff and students will be advised to isolate according to [CDC guidelines](#). The individual may return after 10 days since symptoms first appeared and no fever for the last 24 hours, or 3 days after all symptoms are fully resolved with proof of negative COVID test.

Safety Measures and Equipment

ELECTROSTATIC AND UV CLEANERS

We will have sprayers for custodial staff to more efficiently disinfect our campuses. The units spray a fine mist of disinfectant solution that is statically charged and then adheres to the surfaces in the room ensuring coverage. Detailed attention will be given to high-touch areas such as door handles, desktops, sink handles, handrails and restrooms throughout the day.

UltraViolet (UV) Disinfecting Wands will be provided for all classrooms.

TOUCHLESS THERMOMETERS

Touchless forehead thermometers will be used for staff to screen each student, and themselves, as they enter campus.

HAND SANITIZING STATIONS

Hand sanitizing stations will be located in common areas and priority locations identified by the admin.

PERSONAL PROTECTIVE EQUIPMENT FOR STAFF

All staff are required to wear face coverings unless prevented due to health conditions or instructional/communication needs. In those instances, staff will be provided with a clear face shield. Additional disposable masks and gloves are also available, as needed.

Elementary
classes of 10-15
students

Small Class Sizes

- Classroom maximums were calculated based on usable square footage of each classroom.

Classrooms designed for social distancing

Sanitizing stations throughout campus

Facial Coverings

Face Masks

All staff and students TK-5th, MUST wear a face mask to school. In the event a child does not have one, a disposable mask will be provided.

Face Shield

BHA will provide your child with (1) complimentary face shield.

Hybrid (In-person) Schedule:

Drop off: 8:05-8:20 am Please note: Upon drive in, students will be screened and temperatures will be checked while remaining in vehicle. They will be directed to exit vehicle and enter school grounds/classroom. In an effort to minimize contact, we cannot allow parents or volunteers to enter campus grounds for the safety of our staff and students. Staff will be designated to help guide students to class Insha'Allah.

Class start time: 8:20 am

Dismissal: 11:55 am Please drive in and follow signs to your child's designated spot in the parking lot by grade level. Siblings will be joined with their eldest sibling.

****Students will have a block/period schedule. Subjects covered will focus primarily on Math/ELA, QIAS & incorporate Social Studies and Science.**
