BHA School Uniform Policy

For students in grades TK to 12th, wearing a school uniform that meets the Islamic dress code is mandatory. All of the components of the BHA uniform need to be worn at all times during school hours and need to be loose-fitting per the requirements of Islamic dress and to follow the teachings of Prophet Muhammad (SAW).

1. Required school logo items:

- Elementary, middle and high school boys' polo and dress shirts
- Elementary and middle school girls' jumpers
- P.E. T-shirts (*will be available for purchase from the school office for \$10 starting July 23rd.*)
- High school girls' tops (*will be available for purchase from the school office for \$40 starting July 23rd.*)
- School logo patches will be available for purchase at our school for \$6 each starting July 23rd, if needed.

2. Shirts:

- High school girls' tops are exclusively available for purchase at our Upper Campus office.
- Two shirt colors are allowed for High School students: navy and white. Navy tops must be worn with khaki pants, while white tops can be worn with either khaki or navy slacks.

3. Jackets, Sweaters, and Vests:

- Only navy-colored jackets, sweaters, and vests are permitted. Jackets or vests in any other color, including black and gray, are considered out of uniform.
- During severe cold weather conditions, outer jackets or rain-proof shells are allowed **ONLY OUTDOORS** on top of the navy jacket or sweater.

4. Shoes:

- Students have the option to choose from different shoe colors, but shoes must be plain and of a single solid color. Acceptable colors include **navy, black, white, or burgundy**. No prints are permitted.

5. Personal Appearance:

- BHA students are required to maintain a clean uniform, combed hair, and an overall tidy appearance with no holes, rips, or stains.
- Inappropriate items such as worn-out uniform clothing are considered out of uniform and against school policies.
- Parents may be contacted if a child arrives at school without the proper uniform or with inappropriate items. Required garments should be brought to the office, not the child's classroom.

6. Prohibited Items:

- Jeans or capris
- Sweatshirts
- Hats
- False nails
- Skate shoes (whether the skates are engaged or not), flip-flops, open-toe footwear, high heels. Boots are acceptable as long as they are concealed underneath pant legs.

We understand that some families may prefer to purchase uniform items from other vendors. To accommodate this, we are allowing uniforms from other vendors as long as they match the exact color and include the school logo. For your convenience, iron-on and stitchable logos can be obtained from the school office for a nominal fee of \$5. Please note, this does not apply to the high school girls' shirts.

Some of the BHA School uniform items are available at Target, Burlington Coat Factory, Old Navy, or on the web <http://www.frenchtoast.com/>. (French toast products are available now for a limited time at Costco.)

Please note that adherence to the school uniform policy will be considered in the students' citizenship award criteria at the end of the year. Ensuring compliance with the uniform guidelines will help students remain eligible for these awards.

Non-Uniform Day Requirement

Occasionally, students may have a non-uniform day. In addition to the requirements listed above, the following requirements must also be met:

- No shorts of any kind are ever allowed.
- All clothing should be loose and long. Girls in grade 5 and up must wear shirts that fall below their hips.
- Clothing should not be a distraction or point of competition.
- Clothing with inappropriate images, decals, messages, or insignia will not be permitted.

Parents of any student not conforming to the dress code may be called and asked to bring suitable clothing to the school. Continual failure to observe the school dress code may result in your child being excluded from class until he/she is in proper uniform attire.

Lost And Found

Any clothing that is found will be kept for two weeks by the school office. If it is not claimed within that time, it will be offered for resale or given away.

Thank you for your cooperation in maintaining our school's standards.
